Unit F11, Roete 24
Meadowdale
Germiston

General Purpose PVC Conduit

Continuing working temperature range: -15°C to 65°C

Poor Flexibility

Flammability:

- Ease of Ignitions: Moderate
- Rate of Burning: Very slow
- Self-extinguishing: Yes

Material Toxicity: Toxic

Colours: White and Black

Halogen Free: No

UV Light Resistance: Good

Chemical Resistance:

- Oils: Good
- Petrol: Good
- Solvents: Poor

Environment elements (sea water, air, etc): Good

Part Number	Nominal Conduit Size	Colour	Packaging
T/C24403	20mm	White	50m Coil
T/C24403/BL	20mm	Black	50m Coil
T/C24404/BL	25mm	Black	50m Coil
T/C24404	25mm	Black	50m Coil
