Unit F11, Roete 24
Meadowdale
Germiston

General Purpose Polypropylene Conduit

Continuing working temperature range: -25°C to 105°C

Excellent Flexibility

Flammability:

- o Ease of Ignitions: Readily
- o Rate of Burning: Fast
- o Self-extinguishing: No

Material Toxicity: Non-Toxic

Halogen Free: Yes

UV Light Resistance: Fair

Chemical Resistance:

- o Oils: Good
- o Petrol: Poor
- o Solvents: Fairly Good

Environments elements (sea water, air, etc): Good

Part Number	Nominal Conduit Size	Coil
T/C24300	10mm	100mm
T/C24301	14mm	100mm
T/C24302	16mm	100mm
T/C24303	20mm	50m
T/C24304	25mm	50m
